

OUR VISION STATEMENT

We the Vineyard Christian Fellowship of Southwest Pittsburgh have envisioned, and with the help of the Lord God Almighty, will endeavor to:

BRING 'EM IN • TRAIN 'EM UP • SEND 'EM OUT

- **REACH OUR GENERATIONS** with the message of the gospel of Jesus Christ. We will do this via strong, creative and consistent evangelistic efforts that will include, but not limited to, door-to-door witnessing, the Alpha Program, Servant Evangelism and Community Outreach projects, movies, fun days in the park, sports nights and fellowship gatherings.
- **MAKE DISCIPLES** of those who believe the gospel and trust Jesus Christ alone as Saviour. Through the preaching of the Word of God, teaching seminars and training conferences. Involve each person in a kinship group. To cultivate and stir up the spiritual gifts and talents of all who attend our Vineyard.
- **SEND THESE DISCIPLES OUT** to bring in their family and friends. Establish teams of people to go out and proclaim the gospel through any means possible such as drama, street meetings, etc. Plant other churches. To impact their neighborhoods & work places for the Kingdom of God. To care for the poor and homeless through mercy ministry.
- **RAISE UP A CHILDREN'S MINISTRY** that makes powerful disciples out of the younger members of the church. Teaching them to pray for others, for spiritual/physical healing and general well being. Making them knowledgeable of God's Word and teaching them to apply these Biblical Principles to their own lives and situations.
- **TO LIVE LIVES** that Generate a hunger in the unbeliever. A hunger for God and His Love.
